Library Club

Many valuable services to the school are provided by members of the Rayville High School Library Club. Members of this group function as junior librarians in keeping books in order and in good repair. They assist other students in the use of the library, serve as operators of the movie projector, as artists who decorate the bulletin boards, and as historians in keeping scrapbooks of school events. The group gives service to the school, and receives training which can be useful in later years.

ACKNOWLEDGMENTS

Our unending appreciation to Miss Hatch, our Advisor, without whose leadership and guidance, the Staff would have been lost.

A special vote of thanks to Mr. Walter Orndoff, a superb photographer and a patient one.

We hope we have included memories for each and everyone of you, and that you enjoy reading this annual as much as we have enjoyed compiling it.
